Chuck Maynard

Chuck Maynard is the republican candidate for Commissioner "A" in Wasatch County because he is concerned about the future of Heber Valley. As a business owner and father of 10 children, Chuck is committed to the future of Wasatch County.

There are many critical issues to be decided in the 1990's and Chuck would like to be sure that the beauty and integrity of the Heber Valley are protected while encouraging a stable future for our children. We must protect our best interests in issues such as Brighton Ski Resort, CUP (our water rights), Jordanelle, Mayflower, Provo Canyon highway, our hospital, Telemark Park and the 1989 Olympics. We must control our own future by planning and organizing now.
